

## CERTIFICATE OF TRACEABILITY

Mesa Laboratories, Inc. certifies that the solutions it manufactures for the calibration of pH or conductivity functions have been tested using materials or calibrated devices ultimately traceable to Standard Reference Materials (SRMs) supplied by the National Institute of Standards and Technologies (N.I.S.T).

Conductivity Calibration Solutions are referenced to N.I.S.T SRM 999a, SRM 3193, SRM 3194 and SRM 3196. Conductivity solutions are also checked relative to Danish Fundamental Metrology Ltd. certified reference materials.

pH Calibration Solutions are referenced to N.I.S.T SRM 187e and SRM 185h.

All materials used are new and meet or exceed the specifications as printed on the labels.
