

# Standard Solutions Order Form

January, 2008

To order, complete a copy of this form and fax it to 1-303-987-8989, or call 1-800-992-6372

All MESA Conductivity Calibrator and pH Buffer Solutions are laboratory quality, NIST-traceable standard solutions used for the calibration of conductivity/pH meters. NEO-CARE Cell Cleaning Solution gently, yet effectively removes hard deposits and bacterial filming from cell sensors for greater accuracy and extended instrument life.
